Welcome back for Term 4!

We hope everyone is rested and enjoyed a well deserved break.

We are happy to be back in action for an exciting Term 4. We have our show, Prize giving and other wonderful dance opportunities in store, so looking forward to getting things going.

Term 3 in Review

Term 3 was all about bringing our show to life!

Our students did an amazing job learning their different dances, and we are so proud of how much they achieved throughout the term.

Show time is always a happy time in the studio. It's when we get to choreograph and slowly piece together the different parts of the show.

But what has been really lovely to see, is some of our students getting involved in the creative process — offering their own choreography ideas, even creating little stories to help them remember their dance moves!

Behind the scenes, we were very busy sewing and getting all of our beautiful costumes ready. One of the highlights this term was seeing the excitement and watching the children's faces light up as they got to try on their costumes for the first time.

Studio Photoshoot

We ended the term with our photoshoot. To get to this point it takes months of planning, preparation, late nights and more late nights. And I'm just so proud of what we were able to achieve.

The costumes turned out absolutely stunning. I think the best costumes yet. And seeing all the smiles and happy faces made all the effort so worthwhile.

Thank you everyone for your patience on the day. Also thank you to the moms who gave up their time to help make sure it all ran smoothly.

And a huge thank you to Carla and Eva who always go over and above. From sewing costumes, to doing make up and hair, to helping with poses for the girls. I appreciate all your help and all that you do for our studio.

What's on for Term 4

We have a busy and exciting term ahead! Our main focus is preparing for our Studio show. But alongside our show prep, we also have a number of other exciting events lined up. So a busy, jam packed performance term.

AROUND THE WORLD

Around the World Show

It's just a few more weeks until Showtime, so our last big push. Over the next few weeks, we will hold some group rehearsals, and I'll also be in touch with a few groups if I feel they would benefit from extra practice.

Please continue to support your child's learning by encouraging them to practise their dances at home. This is especially important for those performing on stage for the first time. We want them to feel confident when they walk out onto the stage and be able to enjoy the experience.

Tickets are on sale. We ask to please support. Hiring a theatre and putting on a production is very costly, and our ticket sales help us cover these costs. Please encourage your family and friends to come along and support The children work so hard towards this and having family and friends there watching them makes it even more special.

NEW TUESDAY CLASSES!!!

Our studio is growing, and we are so excited to now be able to add another day of classes to our timetable!

5:00–5:30pm – Tot Ballet
5:30–6:00pm – Junior Ballet
6:00–6:30pm – Junior Modern
6:30–7:00pm – Musical Theatre

Musical Theatre Class

We are particularly excited about our brand-new Musical Theatre class! This class is perfect for our students who have shown an interest in this style of performance, combining dance, acting and performance skills. It gives them the opportunity to explore a different side of dance, build their confidence and really bring out their personalities on stage.

If your child would like to join one of these classes, let me know, or help us spread the word!

Past Events

Wyndham Learning Festival

During Term 3, we took part in the Wyndham Learning Festival, offering a free Adult Beginner Ballet class to the community.

We had a great response, with a full class of both men and women, many trying ballet for the very first time. It was such a lovely morning and it was wonderful to see everyone giving it a go and enjoying themselves.

We even made it into the Star Weekly, with a photo from our class featured in the paper!

Learning tutu dance

With more than 120 free activities and events spread over seven days across Wyndham, this year's Wyndham Learning Festival continued to provide a plethora of opportunities to learn something new. The annual all-ages event delivered by Wyndham Community and Education Centre Inc and supported by Wyndham City Council started on 1 September and ran until Monday 7 September, with this year's theme being 'Lifelong Learning for a Thriving Future'.
learning at every stage of life. Saltwater Community Centre in Point Cook hosted an adult ballet class by CDB Dance on Friday 4 September, just one of the events for people to develop new skills, explore a hobby, support their wellbeing or connect with their community at the many workshops, walking tours, seminars, classes and hands-on activities. This year the festival's popular reusable tote bags featured the creativity of young local photographers Vedika and Chloe whose images captured moments of everyday life in Wyndham.

CDB Dance hosted an adult ballet class in Point Cook as part of the Wyndham Learning Festival.

September Holiday Workshops

We ran two workshops over the September holidays.

MJ Workshop

We had so much fun at our Michael Jackson Workshop during the holidays! Lots of dancing, energy and, of course, moonwalking!

The children did an amazing job learning so much choreo in such a short time, showing off some of their best MJ poses

Teddy Bears Picnic

This was our final workshop for 2026, and what a sweet one it was.

It was such fun watching the girls dance around with their teddies, enjoying different crafts

Such a lovely way to finish off our workshops for the year. Thank you to everyone who joined us!

Upcoming Events

CECCHETTI GALA

Our contemporary dancers will be participating in the Cecchetti Gala later this month, bringing together Cecchetti schools all across Victoria.

We are very excited to be involved to have our girls performing at Bunjil Place, a new theatre, where the Australian Ballet recently performed. So should be a wonderful opportunity for our girls.

WYNDHAM XMAS CARNIVAL

We are excited to once again be taking part in the Wyndham Christmas Carnival! A group of our students will have the opportunity to perform and share some Christmas cheer with our local community.

It is such a fun and festive event, with markets, entertainment, and plenty of Christmas spirit. We love being able to give our students opportunities to perform outside of the studio and be part of events within our local community.

SENIORS FESTIVAL - DANCING THROUGH THE DECADES

Thu, 8 Oct 2026

10:00am - 11:30am

Dance through Decades - Celebrating Seniors Festival 2026

Take a trip through the decades as we dance to some of the greatest hits of all time — from rock 'n' roll classics and other favourites!

This Term, we are excited to be hosting another FREE community event.

I will be running a special Dance Through the Decades class, where we'll be dancing our way through the years to some of the greatest hits from each era.

It should be a fun class, with lots of great music, dance and a little trip down memory lane!

MULTICULTURAL FESTIVAL

We are also excited to have some of our students performing at a Multicultural Festival this term.

It's another wonderful event celebrating different cultures through music and dance, and another great opportunity for our students to get out and perform, promoting our studio.

End of year

PRIZEGIVING AND PERFORMANCE PRESENTATION

To finish our year, we will be hosting our end of year Prize giving and Presentation.

We will be doing a bit of a Xmas theme where students to do a mini performance. We then have our prize giving and end with a bring and share.

More information will be sent out asap.

HAPPY HALLOWEEN

The week after our show is complete will be halloween. So to let loose and have some fun after months of hard work, we want our students to come to class dressed up in any halloween outfits they like.

We have a very busy term ahead, but also so much to look forward to!

We are looking forward to seeing everyone back in class this week and getting Term 4 underway!
